

**NOTICE TO DESIGN BUILDERS
REQUEST FOR QUALIFICATIONS
WSDOT DESIGN-BUILD PROJECT**

August 7, 2006

Statement of Qualifications (SOQs) will be received by the Washington State Department of Transportation at: Attn: Ken Walker, Post Office Box 47360, Olympia, Washington 98504 – 7360 or in person or courier at: WSDOT Rm 1A23, 310 Maple Park Dr SE Olympia WA 98501-7360.

The right is reserved to reject any and all submittals and to waive informalities in the submittal process.

Informational copies of the Request For Qualifications (RFQ) are on file in the office of the County Engineer of King County, the chapter offices of the Associated General Contractors of America in Seattle, Spokane, and Tacoma, and the offices of the Regional Administrators or Headquarters of the Department of Transportation, where they may be inspected.

TO ORDER THE RFQ PLEASE CALL (360) 705-7835 (8:00 am - 5:00 pm). To order by mail, the address is: Contract Ad & Award Office, Washington State Department of Transportation, P O Box 47360, Olympia, WA 98504-7360. Or order in person at 310 Maple Park Drive SE rm 1A23 Olympia WA 98504 -7360.

Project Name: I-405, 112th AVE SE TO SE 8TH ST WIDENING

estimate range: \$90 million to \$110 million

- Requires: layout geometrics of I-405 SB mainline between the I-90 ramps and SE 8th St for seven lanes. However, Design-Builder will only widen to six lanes for this project. Included in the widening is the extension of the SB HOV lane from I-90 to SE 8th St. All vertical clearances will be based on the ultimate seven lane highway. All horizontal clearances will be based on the initial six lane configuration but must accommodate seven lanes. Remove structure carrying BNSF Railway over SB I-405 (Wilburton Tunnel).
- Design the ultimate five-lane SB bridge over I-90, west of and adjacent to, existing SB bridge. However, the Design-Builder will only construct a three lane bridge for this Project.
- Convert existing SB bridge to a NB HOV lane.
- Construct a ramp meter on the NB on-ramp at 112th Ave. SE.
- Construct a NB auxiliary lane from 112th Ave. SE to I-90.
- Construct one additional NB general purpose lane from I-90 to SE 8th St.
- Widen the NB bridge over Coal Creek Parkway, the NB bridge over BNSF railway, and the SB bridge over SE 8th St.
- Construct offsite wetland mitigation site at Kelsey Creek Park.

This project includes other elements like drainage, a noise wall, and Intelligent Transportation Systems (ITS).

SOQ due date, time, location, and addressee: All SOQs must be received by 4:00 p.m., Pacific Standard Time, August 14, 2006 and must be delivered:

1. By U.S. mail at: Attn: Ken Walker, Post Office Box 47360, Olympia, Washington 98504 – 7360. The Department of Transportation will consider notification of bid receipt by the Mail Room as the actual receipt of the SOQ.
2. By hand in person or courier in the Department of Transportation Contract Ad & Award Office, Room 1A23 located at the Transportation Building, 310 Maple Park Avenue SE, Olympia WA. 98501 – 7360. SOQs delivered in person will be received only in the Contract Ad & Award Office Room 1A23.

Facsimile or electronic transmission submissions will not be accepted.

An electronic version of the RFQ is available on WSDOT's Contract Ad & Award Web site at: <http://www.wsdot.wa.gov/biz/contaa/>
